

## TQUK Level 3 Award in Emergency Paediatric First Aid (RQF)

Qualification Specification

Qualification Number: 603/0582/4

## Introduction

### Welcome to TQUK

TQUK is an Awarding Organisation recognised by the Office of Qualifications and Examinations Regulation (Ofqual) in England, CCEA Regulation in Northern Ireland and by Qualifications Wales.

TQUK offers qualifications which are regulated by Ofqual and, in some cases, by CCEA Regulation and/or Qualifications Wales, sit on the Regulated Qualifications Framework (RQF) and are listed on the Register of Regulated Qualifications (<http://register.ofqual.gov.uk/>).

Our qualifications are designed to support and encourage learners to develop their knowledge and skills. This development may result in progression into employment or career development in the workplace. Our qualifications also allow learners to progress onto further qualifications.

Please visit our website [www.tquk.org](http://www.tquk.org) for news of our latest developments.

### Qualification Specifications

Each qualification which TQUK offers is supported by a specification that includes all the information required by a centre to deliver a qualification. Information in the specification includes unit information, assessment and learning outcomes.

The aim of the Qualification Specification is to guide a centre through the process for delivering the qualification.

**Please read it alongside the TQUK Centre Handbook.**

Details of TQUK's procedures and policies can be found on our website [www.tquk.org](http://www.tquk.org)

Qualification specifications can be found on the TQUK website [www.tquk.org](http://www.tquk.org)

Please check the website regularly to ensure that you are using the most up to date version.

If you have any further questions, please contact TQUK.

### Use of TQUK Logo, Name and Qualifications

TQUK is a professional organisation and use of its name and logo is restricted. TQUK's name may only be used by recognised centres to promote TQUK qualifications. Recognised centres may use the logo for promotional materials such as on corporate/business letterheads, pages of a centre's web site relating to TQUK qualifications, printed brochures, leaflets or exhibition stands.

When using TQUK's logo, there must be no changes or amendments made to it, in terms of colour, size, border and shading. The logo must only be used in a way that easily identifies it as TQUK's logo. Any representation of TQUK's logo must be done so as a representation of the true logo.

It is the responsibility of the centre to monitor the use and marketing of TQUK's logos and qualifications on their own materials as well as on those of any re-sellers or third parties that they may use. TQUK should be made aware of relationships with re-sellers or third parties including any additional websites that the centre will use in addition to their own website. If this information is changed TQUK should be notified. TQUK is required to monitor centre's websites and materials to ensure that learners are not being misled.

If a centre is no longer a TQUK recognised centre it must immediately discontinue the use of TQUK's logo, name and qualifications.

## Introduction to the Qualification

The TQUK Level 3 Award in Emergency Paediatric First Aid (RQF) is regulated by Ofqual and by CCEA Regulation.

### Qualification Purpose

The purpose of the qualification is for learners to attain the knowledge and practical competences required to deal with a range of paediatric first aid situations.

The objectives of the qualification include supporting a role in the workplace and giving learners personal growth and engagement in learning.

## Structure

Learners must achieve **one** credit from **one** mandatory unit.

Unit(s)	Unit ref.	Level	Guided Learning Hours	Credit value
Emergency Paediatric First Aid	K/615/2495	3	6	1

## Total Qualification Time

This is an estimate of the total length of time it is expected that a learner will typically take to achieve and demonstrate the level of attainment necessary for the award of the qualification i.e. to achieve all learning outcomes.

Total Qualification Time is comprised of GLH and an estimate of the number of hours a learner is likely to spend in preparation, study or any other learning including assessment, which takes place as directed by, but not under the supervision of a lecturer, supervisor or tutor. The credit value, where given, for a qualification is determined by TQT, as one credit corresponds to 10 hours of learning.

Total Qualification Time for this qualification is 8 hours

## Guided Learning Hours

These hours are made up of all real time contact time, guidance or supervision of a learner by a lecturer, supervisor, tutor, trainer or other appropriate provider of education or training.

## Assessment

Where indicated in the unit specifications, assessment must meet the requirements of the identified assessment strategy/principles.

Materials for internal assessment must be submitted to TQUK for approval prior to use and must be mapped to the relevant unit, learning outcome and assessment criteria.

All learning outcomes must be met to achieve a Pass - there is no grading.

## Centre Recognition

To offer any TQUK qualification each centre must be registered with TQUK and meet centre recognition and qualification approval criteria. Qualification Approval must be confirmed prior to any assessment of learners taking place. It is essential that centres provide learners with access to appropriate support in the form of specialist resources.

The TQUK Centre Recognition process requires a centre to have in place a number of policies and procedures to protect the learners undertaking a TQUK qualification and the integrity of TQUK's qualifications. The policies and procedures will also support an approved Centre's quality systems.

Recognised centres must seek approval for each qualification they wish to offer.

The approval process requires centres to demonstrate that they have the resources, including staff, to deliver and assess the qualification.

## Support from TQUK

Recognised centres will be able to access support from TQUK whenever necessary. External Quality Assurance activities will be undertaken on a regular basis. TQUK also offer recognised centres the service of a Client Relationship Officer whose role is to support centres with any administration queries or qualification support.

## Course Delivery

Blended learning is acceptable for this qualification.

## Pre-Course Information

All learners should be given appropriate pre-course information regarding any TQUK qualifications. The information should explain about the qualification, the fee, the form of the assessment and any entry requirements or resources needed to undertake the qualification.

## Initial Assessment

Centres should ensure that any learner registered on a TQUK qualification undertakes some form of initial assessment. The initial assessment should be used to inform a teacher/trainer on the level of the learner's current knowledge and/or skills.

Initial assessment can be undertaken by a teacher/trainer in any form suitable for the qualification to be undertaken by the learner/s. It is the centre's responsibility to make available forms of initial assessment that are valid, applicable and relevant to TQUK qualifications.

## Learner Registration

Once approved to offer a qualification the centre should register learners before any assessment can take place. Recognised centres must follow TQUK's procedures for registering learners. For short courses, TQUK offer the

option of registering a course and booking a number of places. Learners are then added once the course has taken place, thus acknowledging situations where substitutions are made at short notice to meet business needs.

To ensure all learning aims, objectives and outcomes are met, TQUK recommend that all centres operate to a ratio of 12 learners to one qualified trainer.

If there are more than 12 learners registered on the qualification, TQUK recommends the centre should allocate another trainer to assist with the delivery and assessment of the qualification.

## Resources

Learners will need access to the following:

- Course manual
- ICT resources if applicable
- Equipment at the venue
- Appropriate general and subject specific texts
- A suitably equipped venue and resources
- Other resources to support identified needs of learners

Resources to support the delivery of the qualification

To ensure suitable training, the trainer must also be able to provide the following resources:-

- CPR manikins at a ratio of 1 manikin to 3 learners
- Training defibrillator (if applicable)
- Hard surface wipes ideal for manikins
- First aid kit
- Training dressings
- Triangular bandages
- Sterile eye pads
- Auto injector trainer
- Face shield
- Example accident report form
- Disposable gloves

This list is not final, additional resources may be added to meet the needs of the learners.

## Trainer/Assessor Requirements

Tutors/trainers who deliver a TQUK qualification must possess a teaching qualification appropriate for the level of qualification they are delivering. This can include the below:

Assessors who assess a TQUK qualification must possess an assessing qualification appropriate for the level of qualification they are delivering. This can include the below:
